HEAR WHAT OUR STUDENT'S SAY

I left my corporate job to pursue my passion by enrolling in the Bodycraft Sassoon School Program, an internationally affiliated course. After nearly 3 months, I'm impressed with the structured approach, academic knowledge, and supportive trainers. Loving this journey and highly recommend it to anyone passionate about the hair industry.

As a student of Bodycraft Academy, I'm excited to share my experience with future hair course students. The trainers are supportive, welcoming, and always ready to answer questions. I've learned so much already and can't wait to learn more. I love coming to class every day! I appreciate their patience and dedication 🙌.
